### MISS FLORENCE WALLACE

Former Maysville Lady Will Sing in North American Sanitarium Benefit at Atlantic City.

Atlantic City, N. J., August 12.—Mrs. Thomas B. Smith, wife of the mayor of Philadelphia, will be one of the chief guests at the big benefit entertainment which is to be given Tuesday night in the rose room of the Hotel Traymore in aid of The North American's Sanitarium for Children at Venter.

A committee of prominent women has been invited by Miss Lillian Russell, who is chairman of the entertainment, to assist her in receiving. The receiving party will be joined by Mrs. Smith and Mrs. Bacharach.

The affairs is being given under the auspices of the Atlantic City Press Club, which became interested in the sanitarium several years ago, and which has been supporting one of the child patients in the institution. Frances E. Crossdale, treasurer of the club, is also the treasurer for the benefit.

An elaborate musical program has been arranged for the entertainment, in which Miss Russell has promised to take part. Chief among the singers who will appear will be Miss Florence Wallace, one of the Boston Opera Company, a southern girl of noted ancestry, who has become one of the most promising of American sopranos.

Miss Wallace was Miss Florence Wadsworth, daughter of the late William Henry Wadsworth, of Kentucky. Her father was chief counsel for the Chesapeake and Ohio Railroad at the time of his death.

Two special dances have been arranged by Mr. and Mrs. Paul de Cardo, who are in charge of the dancing at the Traymore, for the benefit. One of them will be a Louis XIV gavotte, in which Mrs. de Cardo will appear in costume. Mr. de Cardo writes all the music for his dances, and has produced a number of artistic achievements during the season.

### SUES FOR DIVORCE

In the Mason Circuit Court yesterday afternoon Lena Cooper, through her attorneys, Robert Buckler and John P. McCartney, filed suit against her husband, Dempsey K. Cooper for divorce.

The plaintiff states that for six months prior to May, 1915, that the defendant behaved himself toward this plaintiff in such a cruel and inhuman manner, as to indicate a settled aversion to her and to destroy permanently her peace and happiness. The plaintiff states that her conduct toward the defendant has always been such as a wife should show toward her husband.

The plaintiff asks for absolute divorce and the custody of her youngest child. She asks that the court dispose of her two other children to either her or her husband.

### HOUSE PASSES BILL PROVIDING FOR BIG NAVY

Washington, August 15.—Congress virtually completed the national defense program tonight by finally approving the great increases in naval construction and personnel written into the naval bill and urgently supported by the administration. The House accepted the building program, to which its conferees on the measure had refused to agree, by a vote of 283 to 61, with seven members present not voting.

The personnel and construction sections, which already have the approval of the Senate authorize an increase in enlisted men to 74,700 and the building of 154 war vessels within the next three years, with four battle cruisers and four battleships included among the ships for 1917.

On several less important sections, including appropriation for improvements of naval yards, the house insisted on its disagreement to Senate increases and voted to send the bill back to conference for settlement of the points. An early agreement is expected, however, and the measure may be sent to the President for his signature within a week.
